Subject: [EXTERNAL] RE: WWE - CW-1

Thanks, Chris. Does this also include all of the communications with CW-1 in the possession of Ms. Brown and/or Gryphon Strategies, or just Labaton? Our production includes all of the communications with CW-1 in the possession of Labaton, Gryphon, and Ms. Brown.

Also, you were going to get back to us on whether you will agree not to call as a witness or otherwise rely on testimony from CW-1. Can you please let us know your position on that. Plaintiff's current plan is not to call CW-1 as a witness or otherwise rely on his testimony. We do not expect that to change, but will let you know if it does change at any point.

Thanks.
